BATTLE REMOVES DOUBTS

JUAREZ MEETING NOW EXPECTED TO PRO-CEED WITHOUT INTERRUPTION.

Excellent Card Provided For Today's Opening Long Winter Meeting at Mexican Course-No Monday Racing for the Present.

El Paso, Texas, November 26,—General Villa's decisive defeat of the Federals in a battle south of Juarez, which lasted through the past two days, coming as it did before tomorrow's opening of the fifth annual race meeting of the Jockey Club Juarez, removed the only cause for fearing the meeting might not materialize. The fear has now entirely vanished and confidence has been fully restored. The one topic of conversation concerns the brilliant prospects for racing at Juarez this season.

The city of El Paso is fairly alive with followers of the sport and all trains are bringing in additional people. Never in the history of racing in this section has there been so many representative horsemen here as at present. At the track there are over 700 horses ready to race and an exceptionally large number are carded to face starter Mars Cassidy at the barrier for the first day's racing.

Matt J. Winn, general manager, today expressed limself as more than pleased with the prospects and said that if reople at a distance could understand the conditions as they exist, they would not hesitate to come and enjoy the excellent sport to be given by the Jockey Club Juarez.

Hundreds of horsemen and other visitors motored today to the scene of the recent battle about twenty miles below Juarez, and most of them returned with interesting souvenirs of this historic event. Now that continued quiet is assared, horsemen are advising their friends throughout the country that there is no longer any danger here and another big influx of visitors is expected within a few days.

Assistant Manager Harry Breivegel has formally extended the countreises of the track to Gen. Pancho Villa and his staff, which include Generals Rosalio flering and Col. Juan Medina, chief of staff. These leaders and their officers will make the opening of the racing senson a gala occasion in celebration of their victory. They will station a guard of honor at the entrance to the grounds and will be entertained with a musical program rendered by the Mosterian Ninth cava

manager Gene Eriod that they will quote odds to-morrow.

Manager M. J. Winn has decided to race only six days each week for the present. Monday will be the off-day as in former seasons. Later in the sea-son it is probable that racing will go on every day in the week.

RICH RACES TO CLOSE FOR ENTRIES.

Nine stake races of attractive conditions and values are to close for entries at midnight of next Monday, December 1. These are the important events endowed by the Jockey Club from the Owners' Fund pledged last year to assist in the re-establishment of racing in the state of New York, Only one of them has as yet been assigned a place of running, this being the mile and a quarter race with \$5,000 added, set aside for Sinte Fair week at Syracuse. The others will probably be divided between the tracks in the vicinity of the city of New York over which racing will be conducted next year, with a possibility that one or two of them may be assigned to Saratoga. The formality of naming the stakes has been left to the future and at present the list offered for entries is:

For Two-Year-Olds.

Race A, with \$2,500 added; five-eighths mile, Race B, value \$5,000 guaranteed; five and one Race B, value \$5,000 guaranteed; five and one-half furlongs.

Race C, with \$2,500 added; three-quarters mile,
Race D, value \$5,000 guaranteed; three-quarters mile.

For Three-Year-Olds.

Race E, with \$2,500 added; one mile. Race F, value \$5,000 guaranteed; one and one Race G, with \$2,500 added; one and one-quarter Race H, with \$2,500 added; one and one-half miles.

For Three-Year-Olds and Over.

To be run at the State Fair, September, 1914, \$5,000 added; one and one-quarter miles. No.000 added; one and one-quarter miles.

Western owners are as 'titally interested in the restoration and prosperity of New York racing as eastern owners and cannot fail to perceive the importance of the Jockey Club's action in tendering these richly endowed events as an addition to such stake races as may presently be amounced by the organizations to be given the honor of furnishing New York racing in 1914. The terms of the races are described in the advertising department of this issue of Daily Racing Form and call urgently for unstinted entries from all owners of promising thoroughbreds.

NOTES OF THE TURF FROM OTHER LANDS.

The brothers Frank and Stanley Wootton will of ride any more and they are going for a holiday the close of the present racing season to Aus-alia, prior to taking up a position as trainers in ngland, where they will permanently reside.

WILSON STABLE SCORES A DOUBLE.

Montresor and Yellow Eyes Carrying Colors of Sara toga Association's President to Victory.

Montresor and Yellow Eyes Carrying Colors of Saratoga Association's President to Victory.

Norfolk, Va., November 26.—An ordinary program furnished some excellent sport at the Jamestown Jockey Club's course this afternoon. The finishes in a majority of the races found the winners under stirring stretch drives and in several instances heads or necks separated the first two. The fields were well balanced, which made up in a measure for the lack of quality. The stable of R. T. Wilson scored a double with Yellow Eyes and Montresor. The latter accounted for the afternoon's feature, the Glenwood Purse, a dash of seven furlongs, for which Montresor ruled an odds-on favorite. Montresor was ridden by the regular stable Jockey, Wolfe, and the outcome was not in doubt after the start. In the racing around the first turn, Montresor sprinted into a commanding lead, but Wolfe took him in hand until the homestretch was reached. Then he again drew away and at the finish le led in scompany by half a dozen lengths.

John 17. Nixon and Miss Brush won their races by heads, while Yellow Eyes, and Flatbush each had a neck's margin in their respective races. Flatbush was running for the first time in the colors of Frank E. Brown in the opening race, a dash of five and a half furlongs, for maidens. He was staggering at the finish to beat Bergamot. A change in equipment brought an improvement in Rey's running this afternoon. The horse ran without blinkers and Scharf did not race him excessively in the early stages as McTaggart did when he ran unplaced as an odds-on favorite in his preceding start. Scharf waited with the horse today until the final furlong before making his effort and when called on Rey finished fast and won going away. The race was a selling affait and won going away. Arrivals of horses were again numerous. They were all from the east and included some well-known racers.

POTOMAC DIES AT HURRICANA.

New York, November 26.—Potomac, one of the moted thoroughbred stallions at John Sanford's Hurricana Stud at Amsterdam, N. Y., has just died at the age of 25 years. A son of St, Blaise and Susquehanna, he was one of the best of his day while racing, and though he did not attain any great measure of success in the Masher, was second. That the defeated Strathmeath and Sallie McClelland.

As a three-year-old Potomac raced in the colors of the late M. F. Dwyer and met with a full measure of success, the winning of the Lawrence Realization, in which he again defeated Strathmeath being his best performance. He was also winner of the Spindrift, a sweepstakes at Brighton Beach and the Barnegat was a mile and a half race and he handily took the measure of Reckon.

During his four-year-old season he won four races for Mr. Dwyer and at the close of that year he was purchased by General Stephen Sanford and retired to the stud at Hurricans Farm, where the son though he did not send any particularly brilliant to stall the property of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the grave of the good stallion, and his bones rest the

Went to post at 2:30. At post 6 minutes. Start poor and slow. Won driving; second and third the same. JOHN P. NIXON worked his way up on the outside while rounding the far turn and, standing a long and hard stretch drive gamely, got up to win in the last stride. FATHOM slipped through on the inside after entering the homestretch and was slowly wearing the winner down in a game finish. BEN QUINCE set a fast pace and, being much used in racing SOME KID into defeat, was tring at the end. NILD was left at the post. SOME KID ran a fast half and tired. HILL STREAM ran in improving form.

JUAREZ, MEXICO

J. J. SCHREINER AMERICA'S PREMIER CLOCKER.

Formerly Racing Expert for the Denver Post

Are YOU Ready? I AM!

NOTICE—As I stated before, I am in Juarez clocking horses for my many clients. This is the chance of your life. I am at the track myself, do my own work; no bandicapping or guesswork with me, but genuine information obtained by personal supervision of horses and a special knowledge of their condition at the time they race. The stable money is bet on those I give. I am next to some that are cherry ripe and will get the money at good odds. This information cannot be purchased with money alone. It takes influence and friendship of years standing. The opportunities I am giving you could not be obtained by you personally for any sum of money. I have been at the business for twenty years, owner, trainer and clocker. I don't sit in an office guessing for you. QUIT DOPING THEM UP. I am on the spot ready, afert, and nothing that will benefit my subscribers escapes me. No hour is too early or too late for me to look out for the interests of my subscribers, and that is why I keep them: they know that in me they have found a man that gives them winning information. I will prove, show and convince you that I am the peer of anybody. Have a clocker of your own. You can employ me for \$10.00 for any ten days of this meeting. Propositions not considered. Strictly cash only. Old code no good; get new code at once. Telegraph remittance or remit by expressorder. I wire one or two horses daily at II a. m.
